	<p>Please keep at least 6 feet distance from non-family members at all times. Children will remain with parents. Note: Every other pew has been taped off. Please be kind and sit (with your family) at the ends of the pews so that others may share the pew and still keep 6 feet apart.</p>
	<p>Congregational singing is not allowed at this time. Music will still be played <u>and limited Choir singing may be performed.</u></p>
	<p>One location will be designated for tithing at the entrance to the sanctuary. Especially in these times of need, this is more important than ever.</p>
	<p>Communion will be served again in individual cups that you are welcome to take as the tray passes by you. Please carry this garbage out with you after service to throw away in the narthex. It's a modified service but not a modified message.</p>
	<p>All spaces used will have air purifiers as well as open windows to keep fresh air flowing.</p>
	<p>If you are not feeling well or have a temperature above 99.9°F we ask that you please stay home. Services will still be recorded and available online.</p>
	<p>If you have been in contact with anyone who has had Covid19 we ask that you please stay home.</p>
